REF: Traffic Stats on BIA Route 12, Cibecue Road

Tara,

The following is the information that I was able to obtain. As you know our computer system is not very stat friendly.

This is for a ten year period, from 2008 to June of 2018. Motor vehicle accidents break down as follows:

Fatal accidents: 5

Accidents with injuries: 20

Accidents without injuries: 56

The following is the amount of Driving Under the Influence: 59

The following is other citations: 147

There could be more but with the limited search options we have this is what I was able to come up with.

If there is any questions please contact me.
