## What has FAC Transit been up too?

2020

Since March of 2020, the WMAT DOT FAC Transit staff have been working diligently by ensuring that all Transit buses are equipped with safety gear, such as

- Driver Barriers
- Hand Sanitizer Dispenser
- Face Mask Dispenser
- Automatic Temperature Check Station
- Microban Antimicrobial Shield

2021

In February, the FAC Transit program purchased and received four (4) transit buses. The FAC Transit program has a total of ten (10) transit buses, since its establishment from June 2017.

In March, the FAC Transit program hired two Transit drivers, who are currently in training.

In April, the FAC Transit program hired another Transit driver.

## When will Transit be back in operation?

Due to hiring issues with the Tribe's Human Resource Department, the FAC Transit will not be in operation until this issue is resolved.

We, at WMAT DOT, have to abide by and follow Title VI of the Civil Rights Act of 1964 "no person in the United States shall on the grounds of race, color, religion, national origin, sex, or age be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any project, program or activity funded in whole or in part through financial assistance. This applies to employment and business opportunities and is considered to be in addition to the provisions of Title VI of the Civil Rights Act of 1964.
